2017-2018

General External Scholarships

AICP Scholarships

The Association of Insurance Compliance Professionals annually awards up to three \$1,500 scholarships to students majoring in Risk Management and Insurance, Actuarial Science, Mathematics, Statistics, Economics, or any other Business-related major. Selections are made based upon GPA (3.00/4.00 requirement), involvement in extra-curricular activities, and level of educational interest and dedication to the insurance industry. Students must have completed three college semesters at the time of application. Preference is given to AICP members and relatives of AICP members.

Deadline: June __, 2018

Angus Robinson, Jr. Memorial Foundation Scholarships

The Angus Robinson, Jr. Memorial Scholarship Foundation is a non-profit education foundation established in the memory of Angus Robinson, Jr., who was a leader in the reinsurance industry for nearly 20 years. The Foundation awards scholarships of up to \$5,000 to students of Risk Management, Insurance or Actuarial Science. Students must have at least a 2.75 GPA, be a full-time student, and have a Needs Analysis document on file with the Financial Aid Office. Academic transcripts, a 500-word essay, and two recommendations from professors or employers are required. UW students have had success receiving these scholarships in the past. Students should contact a UW faculty member before submitting their materials, because there is a maximum number of applicants each university is supposed to submit.

PRIMA Annual Conference Scholarships

The Public Risk Management Association awards scholarships to its annual summer conference. Recipients have the opportunity to meet and learn from expert practitioners in the public risk management field.

<http://conference.primacentral.org/scholarship>

Deadline: Spring 2018

Scholarships for Interns or Members

NAPSLO Internship Program

The NAPSLO Internship Program annually awards paid summer internship to college students interested in an insurance career. This nine-week opportunity offers students experience in both the underwriting and brokerage sides of the surplus lines marketplace by working with actual risks and learning alongside leaders in the industry. You can download an internship brochure [here](#).

https://www.napslo.org/wcm/Career_Awareness_Internships_Next_Generation/Internship_Program/wcm/Internship_Next_Generation/Internship.aspx?hkey=434c6517-e201-47b3-98a2-68c42bae327a

Deadline: October 15, 2017

IRU Intern Program

The Intermediaries & Reinsurance Underwriters Association provides an opportunity for students to learn about the reinsurance industry and gain practical experience in its operation in the summer before their junior and senior years. A participating IRU member sponsors each intern for an eight-week internship during the summer. At the conclusion of the program, each intern submits a paper based upon his or her experience to be judged by the IRU Internship Committee. The most outstanding paper will be eligible to receive a \$2,500 scholarship and may be invited, as a guest of the Association, to the following spring's IRU Meeting. Students must have two recommendations from a faculty advisor, dean, or department chairman.

Deadline: _____

VCIA Distinguished Scholar Award

The International Center for Captive Insurance Education (ICCIE) awards one full scholarship per year to a member of Vermont Captive Insurance Association.

<http://www.iccie.org/Scholarship.shtml>

Deadline: June 30, 2018

Last updated: June 25, 2017

Minority Scholarships

Harry House Captive Insurance Scholarship

Housing Authority Insurance Group (HAI) sponsors an award of one full scholarship per year for course work leading to an Associate in Captive Insurance (ACI) designation. The scholarship is reserved for a minority student enrolled in a Risk Management Program at an accredited college or university. The recipient will be chosen based on scholastic excellence and good standing in the university community.

<https://iccie.org/about/scholarships/>

Deadline: June 30, 2018

Mutual of Omaha Minority Actuarial Scholarship

Each year, a \$5,000 scholarship is awarded to one minority student who will have an opportunity to gain on-the-job experience in one of Mutual of Omaha's summer Actuarial Intern positions. In addition to competitive pay, Mutual of Omaha will also provide free housing for the duration of the internship. Following the internship, the selected student will receive a \$5,000 scholarship in two installments to help fund their continuing education. Eligibility requirements include having passed at least one SOA exam, being able to work in the US, having completed at least 24 college credits with a minimum 3.0 GPA, and being a member of a minority group (African-American, Hispanic, Native-American, Asian or Pacific Islander, Alaskan Eskimo, etc.).

Deadline: October 20, 2017 (not a typo)

Surety and Fidelity Industry Internship & Scholarship Program

Internships are provided by members of The Surety & Fidelity Association of America (SFAA) and scholarships are funded by contributions from member companies and other organizations and individuals. The objective of the intern and scholarship program is to provide surety/fidelity industry exposure and financial assistance to minority students who show significant potential to become surety or fidelity professionals. Awards are granted based on merit (academic and personal achievement). For purposes of this program, The Surety Foundation defines minorities as those of Black/African-American, Native American/Alaskan Native, Asian/Pacific Islander, or Hispanic ethnic origin. All applicants must be U.S. citizens. Students must have completed 30 credits, including 6 credits in their major.
